

**TODAY'S VOICE FOR JUSTICE**

**KAMALA HARRIS FOR DISTRICT ATTORNEY**

# "IT'S TIME TO CLEAN UP THE MESS"

**In today's San Francisco, it's clear that yesterday's answers aren't working.**

**O**ur District Attorney's office has been called "pathetic," "out of control" and a "national embarrassment." But we live here, so we already know that.

## Our city needs a change

Our streets are a mess. Gang violence is on the rise. Drug dealers actually commute to San Francisco to sell crack, heroin and crystal meth. And it's no wonder...because our District Attorney's conviction rate is the lowest in the state. But instead of change, what do we get? Every campaign for District Attorney since 1996 features the same two candidates, with the same tired answers.

San Francisco needs a new voice for justice. Now we have one in Kamala Harris.

**"No one is better prepared to lead our District Attorney's office in this new era than Kamala Harris." – ASSEMBLYMAN MARK LENO**

KAMALA HARRIS is the veteran prosecutor we need to turn around our troubled District Attorney's office – without turning back the clock.

## "A top-flight prosecutor" – SF Chronicle

Harris has a long track record as an outstanding public prosecutor. She has served as Deputy District Attorney in Alameda County – one of the most respected DA offices in the state. In San Francisco, she headed our Career Criminal Unit – trusted to prosecute our most hardened criminals.

With over thirteen years of courtroom experience, Kamala Harris has tried hundreds of serious and violent felonies, including murders, gang rapes and child sexual assault cases.

In all those cases, her conviction rate was over 90%. And her competence doesn't stop in the courtroom.

Throughout her career, Kamala Harris has always been more than a prosecutor. She has been a voice for justice and a proven champion for battered women, abused children and neglected neighborhoods.

## "A long-time champion for juvenile rights" – SF Examiner

Just this year, Harris led the effort to ensure that San Francisco addressed our growing problem of teenage prostitution. She secured new social services to help take teen prostitutes off the street – and enforcement to punish their pimps and johns as the sex offenders and child abusers they truly are.

Kamala Harris has created a pioneering mentoring program for inner-city youth that has served hundreds of at-risk kids. She has won state-wide recognition for her efforts to win adoption rights for gay partners. And, she is a leader in the efforts to fight domestic violence in San Francisco and across the country.
